279	Inbox	**From** +17816263099	3/26/2014 9:30:38 AM(UTC-4)	Read	In the suburbs of Boston, Massachusetts, The Peeple's Posse was formed by Ellis Reed, DaZe, Jeff P. and Puffah Jay. Shortly after their formation in 2013, they performed at several summer concerts. They opened for acts such as Coolio and E-Dubble at one of Boston's hottest hip-hop venues, the Middle East. The Posse became notorious for their intense energy and lively presence on stage. Throughout the duration of the summer, they shot numerous music videos and released their debut mixtape, Everything Dank. The Peeple's Posse is known for their unique music and free song form, straying away from the mainstream and spitting raw lyrics. Ellis and Jeff spend just as much time behind the mic as they do making beats, providing a significant portion of the production on Everything Dank. The Peeple's Posse is currently gearing up to work on their second mixtape, due this summer. Everything Dank as well as Ellis Reed's solo mixtape Resting With My Eyes Closed can be found at: ellisreed.bandcamp music videos can be found at: youtube.com/thepeeplesposse other links: facebook.com/thepeeplesposse soundcloud.com/thepeeplesposse twitter.com/thepeeplesposse
